

DID YOU KNOW

The Nut and Bolt Factory can offer a fully maintained Vendor Managed System to take the pressure off your Purchasing Team.

Racking System shown is a sample only

One of our Sales Representatives can set you up with one of our portable racking systems, label and maintain your stock on a weekly, bi-weekly or monthly basis, saving you time and money.

Contact your Sales Representative or nearest branch for more information or to arrange an appointment.

Your local representative can discuss any racking system to suit your needs.
